

HOW TO USE PROBIOTIC CLOTH CLEANER

Billiard tables with woolen cloths (Snooker, English Billiards, English -and Chinese Pool):

- Make sure the table is brushed properly
- Preparation (take all you need)
- Spray gently ½ table (12 or 10ft snookers, others can be done in 1 go) lengthwise, approx..50cms above the surface (avoid soaking)
- Take the MICROFIBER FACILITY 4BILLIARD CLOTH wrapped around brush or block
- Wipe down sprayed surface in straight lines from baulk to spot end
- (Repeat this for the second ½ of the table)
- Wipe down the cushions (wood incl) with a damp (with 4BILLIARD cloth cleaner) cloth in the direction of the nap
- The more often you use this method, you can increase the ironing part of your maintenance!

Billiard table with worsted cloths (American Pool, Carom, 3 cushions, Bocce, Pyramid etc...):

- Make sure the table is brushed or hoovered properly
- Preparation (take all you need)
- Spray gently all over the table, approx..50cms above the surface (avoid soaking)
- Take the MICROFIBER FACILITY 4BILLIARD CLOTH wrapped around brush or block
- Wipe down sprayed surface in straight lines in any direction, preferably in the length of the table
- Wipe down the cushions (wood incl) with a damp (with 4BILLIARD cloth cleaner) cloth in the direction of the nap
